Re: EX PARTE PRESENTATION
CC Docket No. 95-155 and NSD File No. L-01-112

Dear Ms. Salas:

Today, James Grudus and Charles Griffin of AT&T, Henry Hultquist of WorldCom, and I on behalf of Sprint, met with Dorothy Attwood, Diane Harmon, and Scott Bergman of the Common Carrier Bureau, to discuss proposed changes to the centralized toll-free database. The discussion centered on ways to prevent and detect violations of the Commission's toll free regulations, including measures previously raised by the Network Services Division. Points raised by AT&T, WorldCom and Sprint were consistent with our joint filing in the above-captioned proceeding.

An original and one copy of this letter are being filed.

Sincerely,

Norina Moy
Director, Federal Regulatory
Policy and Coordination
